CAMP SAMAC FIELD TRIPS - Outdoor Learning Adventures!

Bring your class to Camp Samac in Oshawa for an unforgettable day of hands-on learning, fun, and outdoor adventure! Our field trips are packed with hands-on learning, active fun, and direct connections to the Ontario Curriculum. Every visit will spark curiosity, build teamwork, and leave lasting memories.

Why Choose Camp Samac?

- ✓ Curriculum-Linked Programs – Every activity connects directly to Ontario Curriculum outcomes in Science, Social Studies, Math, Language, and PE.
- ✓ Hands-On Learning – Students build shelters, explore ecosystems, climb, snowshoe, and more.
- ✓ Seasonal Highlights – Tree planting in spring/fall, maple syrup in March, winter survival in snowy months.
- ✓ Affordable & Accessible – \$25 per student for a full-day, 3-activity program. Teachers & parent volunteers attend FREE.
- ✓ Experienced Staff – Trained facilitators deliver safe, engaging programs designed for Grades 1–8.

Camp Samac – Where Outdoor Adventure Meets Classroom Learning!

ADVANTAGES FOR TEACHERS

- Curriculum Alignment - Programs are directly linked to the Ontario Curriculum, making it easy to integrate the field trip into your lesson plans across subjects like Science, Social Studies, Math, Language, and Physical Education. (chart available)
- Convenient Location- Located in Oshawa (across from Durham College), Camp Samac is easily accessible for schools across the Durham Region, minimizing travel time and costs.
- Trained Facilitator Support - Experienced facilitators lead all activities as presented or modify them to fit your teaching needs, allowing teachers to focus on observing, supporting students, and enjoying the day without the pressure of managing every detail.
- Budget-Friendly Pricing - At just \$25 per student, Camp Samac offers one of the most affordable full-day outdoor education experiences in the region. Teachers and parent volunteers attend FREE, making it even more cost-effective.
- Enhanced Learning Outcomes - Students often show improved understanding and enthusiasm for curriculum topics after experiencing them in a real-world, outdoor setting.
