Weekly Rental Rates and More

Scouting Leaders & Volunteers Information Meeting

Tuesday, August 25, 2026 • 7:00 pm
Council Hall, Camp Samac

Preferred rates for Scouting groups

PREFERRED SCOUTING GROUP RATE

\$45.00

per meeting

\$45 helps cover essentials such as toilet paper, heat, hydro, road upkeep, firewood and property care.

SERVICE-PARTICIPATION RATE

\$35.00

per meeting

\$35 recognizes service participation while still contributing to essential operating costs.

Note: these prices DO NOT include cleaning. The minimum amount our cleaner will charge for a cabin clean up starts at \$50 per cleaning

Participation saves \$10 per meeting; fees remain necessary to cover ongoing camp costs.

Service unlocks an even lower weekly rate

01

Book weekly space

Confirm the meeting details—and leave the space cleaner than you found it.

02

Show up for service

Attend the scheduled service events—or request an approved make-up offer-of-service day.

03

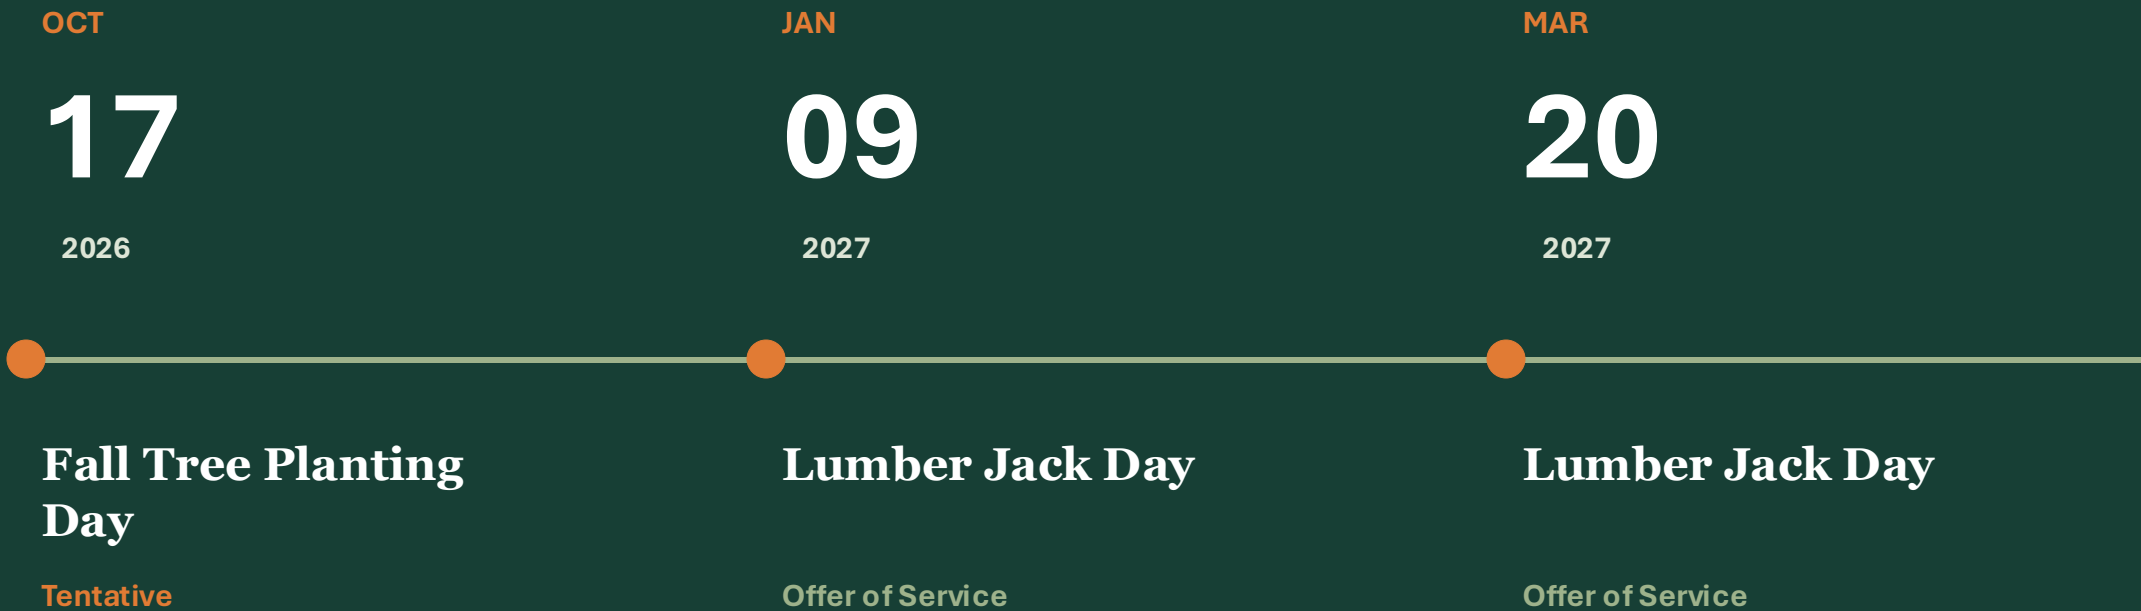

Apply the service rate

Record each Scouting group's eligibility and use the service-participation rate consistently.

FOUR LEVERS TO DEFINE

Attendance threshold • Volunteer count or hours • Credit value • Effective date

Three annual days form the service commitment

Can't attend a scheduled event? A group may request a make-up offer-of-service day, subject to Camp Samac approval.

Dates: user-provided meeting guidance; Jan 9 also appears on the White Pine Council calendar.
